**YES** team creates designs, expressing  
Your individuality in every detail

**Our goal** is to follow Your ideas and capture  
originality in each product we create

**YES** team is ready to **tackle challenges**,  
applying all our passion, knowledge and experience

We aim to create a product that perfectly shows  
Your **style, emotions** and **personality**

**Sublimation technology** allows printing full-color designs on textile products, ensuring precise and durable results. This innovative method enables colors' integration into the fabrics, creating not only a smooth and flat surface, but also a resistance to wear. **It means that the print will retain its brightness and quality for a long time, ensuring excellent attractive effects and durability in any conditions**

Using **high-quality fabrics**, our production ensures perfect functionality of the products

We will execute the order within **10 days** after final design's approval. Additional order of the same production will take even less time

**YES** brand products are manufactured in Riga by the best professionals. We invite You to attend the production process to see the creation of **Your exclusive product**

We use the **latest illustration and graphic tools** to design Your custom team uniforms. So, no matter what type of design You need or how much quantity You are looking for, we can help You to achieve the desired results anywhere, anytime

Whatever Your requirements are, our qualified and trained designers will get **You the finest results possible**
